

- 08 | **A scientific journal for an innovative project**  
Paolo Felli

## EDITORIAL

- 12 | **Beyond the crisis. Optimism in research**  
Maria Chiara Torricelli

## ESSAYS

- 18 | **The three revolutions (macro - micro - nano) that are changing the world**  
Ezio Andreta
- 26 | **A Vision to 2020: Emerging challenges and opportunities for the Engineering and Construction Sector**  
Arun Eapen
- 30 | **Investing in the territory: conditions, criticalities, resources, opportunities**  
Claudio De Albertis
- 36 | **From Council Housing to Social Housing. The successes and misfortunes of Social Housing policies in Italy**  
Ferdinando Terranova
- 48 | **Architectural technology for environmental design**  
Fabrizio Schiaffonati, Elena Mussinelli, Matteo Gambaro
- 54 | **Urban energy efficiency: a breakthrough vs. the global crisis**  
Roberto Pagani
- 62 | **Architectural quality: innovation, technological research and design**  
Andrea Campioli
- 70 | **Does the market demand a different kind of research?**  
Romano Del Nord

## RESEARCH &amp; EXPERIMENTATION

- 76 | **The crisis and the Social Housing chance**  
Dora Francese, Claudio Grimellini, Cristian Filagrossi Ambrosino
- 82 | **Technological retrofit of existing buildings: dwelling quality, environmental sustainability, economic rising**  
Mariangela Bellomo, Sergio Pone
- 88 | **Sustainability and strategies for 'rebuilding' abandoned territories**  
Maria Cristina Forlani, Donatella Radogna
- 96 | **Unauthorised building as a factor in the recession. Analysis, strategies and plans for sustainable development**  
Rosa Maria Vitrano
- 104 | **Energy producing capacity of the territory: considerations and a micro wind power case study**  
Adriano Magliocco, Francesco Poggi
- 110 | **A sustainable building product: advanced insulation panels obtained by recycling regional sheep's wool**  
Daniela Bosia, Roberto Giordano, Lorenzo Savio
- 116 | ***Abitare Mediterraneo* Project. An example of synergy between research and construction**  
Roberto Bologna
- 124 | **Architectural design and production beyond the rule of art**  
Massimo Lauria, Francesca Giglio
- 130 | **CCCloud Casalgrande Ceramic Cloud. From production to project**  
Luigi Alini
- 138 | **Re-Innovating. Technological research contribution in the recovery of Our Lady of Mercy Church in Baranzate**  
Anna Mangiarotti, Ingrid Paoletti
- 144 | **Project for a renewable energy research centre**  
Andrea Giachetta

## REVIEWS

- 148 | **The crisis in figures**  
Ernesto Antonini, Giuseppe Primiceri
