

ARCHITECTURE FOR HEALTH AND EDUCATION

TECHNE 09 2015

NOTE

- 06 | **Technological research and service architectures for healthcare and education**
Mario Losasso

PROLOGUE

- 09 | **Architectures for health and education. Outlines and trends**
Emilio Faroldi

DOSSIER edited by Eugenio Arbizzani

- 14 | **Education and Health, rethinking the welfare system to preserve its sustainability**
Eugenio Arbizzani
- 21 | **Population ageing: impacts on the satisfaction of social demand and medical needs**
Gaetano Maria Fara, Daniela D'Alessandro
- 27 | **The future of the hospital and the structures of the NHS**
Maurizio Mauri
- 35 | **The territories of education: four issues for reflection**
Marco Rossi Doria
- 42 | **Planning the rebirth of School building estate**
Roberto Reggi, Laura Galimberti
- 53 | **Financial instruments for the regeneration of the public assets**
Marco Sangiorgio

ART PHOTOGRAPHY

- 62 | **Education, Research, Photography**
Marco Introini

CONTRIBUTIONS

ESSAYS AND POINTS OF VIEW

- 85 | **Autonomy, Independence, Inclusion**
Filippo Angelucci, Cristiana Cellucci, Michele Di Sivo, Daniela Ladiana
- 96 | **Deep renovation of the school building stock: the European opportunity and the Italian strategy**
Paola Boarin, Pietromaria Davoli
- 106 | **Natural perceptual wayfinding for urban accessibility of the elderly with early-stage AD**
Giuliana Frau
- 114 | **The quality of school buildings: a national emergency, a research field**
Ernesto Antonini, Andrea Boeri, Jacopo Gaspari, Valentina Gianfrate, Danila Longo
- 123 | **The care of detail as condition for energy efficiency in school buildings**
Domenico Pepe, Massimo Rossetti
- 132 | **Observatory and registry of school buildings for maintenance planning**
Maria Rita Pinto

RESEARCH & EXPERIMENTATION

- 140 | **The guidelines for the humanisation of care facilities**
Daniela Bosia, Gianluca Darvo
- 147 | **Organizational models for the flexible management of hospitals**
Maria Luisa Del Gatto, Marzia Morena, Tommaso Truppi

- 155 | **The third sector for supporting sustainability and innovation in health field**
Ilaria Oberti, Angela Silvia Pavesi
- 162 | **Operative and design adaptability in healthcare facilities**
Phil Astley, Stefano Capolongo, Marco Gola, Andrea Tartaglia
- 171 | **The house as a space of rehabilitation: the CARE project**
Alberto Arenghi, Tiziana Cretti, Michele Scarazzato
- 180 | **Healing gardens: design processes and realizations of beneficial environments**
Renata Valente, Clare Cooper Marcus
- 191 | **The university hospital as centre of excellence for the production and dissemination of the advanced biomedical culture**
Romano Del Nord
- 199 | **First facilities for palliative paediatric care in Italy: project for the "G. Gaslini" Institute in Genoa**
Tiziana Ferrante
- 208 | **Field surveys for the humanization in hospital buildings: tools and case studies**
Elena Montacchini, Silvia Tedesco
- 216 | **Conscious design and new technologies for the optimization of therapeutic space**
Marzia Morena
- 224 | **Humanization of care spaces: a research developed for the Italian Ministry of Health**
Romano Del Nord, Donatella Marino, Gabriella Peretti
- 230 | **Facilities for Territorial Medicine: the experiences of Piedmont and Lombardy Regions**
Stefano Capolongo, Maurizio Mauri, Gabriella Peretti, Riccardo Pollo, Chiara Tognolo
- 237 | **Regenerate the healthcare building heritage to a new care model: the Houses of Health in Sardinia Region, Italy**
Fabrizio Pusceddu, Antonello Monsù Scolaro
- 247 | **Sustainable school buildings: design-management-monitoring, results and weaknesses. The case study of the High School "L. Orsini", Imola**
Giacomo Chiesa, Mario Grosso
- 256 | **Progressive upgrade processes for the energy retrofit of school buildings in Naples**
Emilia Alborelli, Valeria D'Ambrosio
- 267 | **Streamlining of maintenance facilities for the university real estate**
Stefania De Medici, Carla Senia
- 274 | **Studying in a 'classy' school. Energy efficiency to save schools construction industry**
Paola Gallo, Rosa Romano
- 288 | **Operational tools for maintenance and renewal of school buildings patrimony**
Massimo Lauria, Luciana Milazzo, Cherubina Modaffari
- 299 | **School buildings and indoor air quality: diagnostic procedures and criteria for intervention**
Maria Teresa Lucarelli, Deborah Pennestrì

APPENDAGE

DIALOGUES

- 307 | **Building architecture for human habitats**
A dialogue between Matteo Gambaro and Luigi Snozzi
